Authorization to Bid the FY 2008 Facilities Painting Project

- Each year the County repaints sanitary lift stations and equipment buildings that are in need of refurbishment.
- This project will include painting of eight sanitary sewage lift stations in the Northwest and Southeast service areas, and the Filter Building and De-chlorination Building at the Des Plaines River Water Reclamation Facility.
- The project is estimated to cost \$108,000 with work to be accomplished between October, 2008 and May, 2009.
- Committee authorization is requested to solicit bids for the FY 2008 Facilities Painting Project.
