Resolution authorizing an emergency appropriation in the amount of \$5,658,7000, for the Energy Efficiency and Conservation Block Grant program.

- In October of 2009, the Lake County Board accepted and appropriated \$5,658,700 of grant funding from the Energy Efficiency and Conservation Block Grant Program in the CCIP.
- The EECBG is a reimbursement grant; therefore, the County must expend funds for eligible expenses and then request a reimbursement from the grant funds. The County needs to now appropriate the grant revenue that will offset each reimbursement request.
- This resolution appropriates the offsetting revenues for that grant program.

**WHEREAS**, in October of 2009, the Lake County Board accepted and appropriated \$5,658,700 of grant funding from the Energy Efficiency and Conservation Block Grant Program as part of the American Recovery and Reinvestment Act of 2009.

**WHEREAS**, the funding appropriation in October of 2009 will be fully offset by the grant funding not included in the earlier appropriation, thereby not requiring the expenditure of local tax revenue.

**NOW, THEREFORE, BE IT RESOLVED**, by this County Board of Lake County, Illinois, that an emergency appropriation in the amount of \$5,658,700 is hereby authorized and shall be appropriated to 101-1103910-45334.

**DATED** at Waukegan, Illinois, on this 16 day of November, A.D., 2010.
