## RESOLUTION

**WHEREAS**, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress and signed into law on March 27, 2020. Lake County's population over 500,000 resulted in the ability to directly apply for funding. On April 23, 2020, Lake County received \$121,539,986.20; and

**WHEREAS**, these funds are required to be used to cover expenses that: (1) are necessary due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19); (2) were not accounted for in Lake County's approved Fiscal Year 2020 budget; and (3) were incurred during the period March 1, 2020 - December 30, 2020; and

**WHEREAS**, Lake County has needs for Coronavirus relief funds in its continued response to the COVID-19 public health emergency; and

**WHEREAS**, on July 27, 2020, the County Board approved the Lake County CARES Act Funding Plan and appropriated funds in accordance with the plan; and

**WHEREAS**, Amendment Number One to this plan ("Amended Plan") updates guidance, programs, and the allocation of CARES Act funds to better support Lake County communities, taxing districts, and allow Lake County to maintain its county-wide services; and

**WHEREAS**, an emergency appropriation is necessary to make \$14,500,000 of additional funds available for the purposes designated by the County Board in the Amended Plan; and

**WHEREAS**, the Amended Plan requires the total distribution of CARES Act funds in each of the approved Lake County CARES Act Categories be amended to \$15,000,000 in Resident Support and Assistance, \$17,000,000 in Business and Economic Assistance, \$42,000,000 in Municipal and Local Essential Services, \$15,700,000 in Public Health Support and Assistance, \$1,750,000 in PPE Stockpile and Distribution, and \$28,050,000 in County-wide Essential Services.

**NOW, THEREFORE, BE IT RESOLVED**, by this County Board of Lake County, Illinois, that Amendment Number One of the Lake County CARES Act Funding Plan ("Amended Plan") attached to this Resolution is approved and shall be executed by the County Administrator; and

**BE IT FURTHER RESOLVED**, that the emergency appropriation in the amount of \$14,500,000 distributed in the Fund 745 CARES Act Coronavirus Relief Fund budget is hereby authorized; and

**BE IT FURTHER RESOLVED**, that an expense budget for the administrative execution of the programs designated be amended as indicated in the Amended Plan attached to this Resolution; and

**BE IT FURTHER RESOLVED**, that the authority to spend funds in accordance with the Amended Plan's distribution budget and execute any and all agreements related to the allocation and distribution of funds within a CARES Act Category is delegated to the County Administrator or their designee(s); and

**BE IT FURTHER RESOLVED**, that the County Administrator may authorize line item transfers between expense types within the same CARES Act Category because the exact nature of the reimbursable expenses is unknown upon appropriation; and

**BE IT FURTHER RESOLVED**, that any CARES Act funds not encumbered by December 15, 2020 will be re-allocated to the County-wide Essential Services CARES Act Category as defined in the version of the CARES Act Funding Plan in effect on that date.

**DATED**, at Waukegan, Lake County, Illinois on September 29, 2020.
