Joint resolution approving the re-appropriation of a Justice and Mental Health Collaboration: Planning and Implementation Grant in the amount of \$250,000 for the Lake County Crisis Intervention Team (CIT) Program from the U.S. Department of Justice, Office of Justice Programs.

- In November 2016, the County Board passed a resolution to accept a Sheriff’s Office grant award in the amount of \$250,000 from the U.S. Department of Justice, Office of Justice Programs to assist with costs associated with implementing a Crisis Intervention Training (CIT) Program.
- The goal of the grant is to coordinate Crisis Intervention Team training for 395 police officers, corrections officers, and dispatchers throughout Lake County within the grant period expiring in September 2020.
- Funds were initially emergency appropriated concurrently with the acceptance of the grant award in fiscal year 2016, but the budget appropriation was not carried over. No revenue has yet been received nor has any expense been booked in prior fiscal years.
- The grant funded training began in November 2018. Three classes have been completed with 87 public safety professions completing the course.
- Emergency re-appropriation of grant fund revenue and expense in the amount of \$250,000 must be approved in order for the Sheriff’s Office to fund the training and seek grant reimbursement.
