Joint resolution authorizing the execution of an agreement for sewage disposal with the Village of Round Lake.

- The County and Village of Round Lake first entered into an agreement for sewage disposal services within the Northwest Lake Facility Planning Area (FPA) on March 8, 1977.
- The term of this agreement expired and a new 20 year agreement has been negotiated to extend and modify respective sewer related obligations between the parties.
- This new agreement incorporates many modifications to promote and provide for the efficient and economical use of costly public infrastructure and address long term compliance issues in response to excessive inflow/infiltration, odor control, fats oils and grease, pretreatment coordination, externality fee, and coordination of regional system operations.
- Coordination with the Village of Fox Lake as the provider of regional treatment services within the Northwest FPA has been integral in the development of provisions for this wholesale sewage agreement.
- This resolution authorizes the execution of an Agreement for Sewage Disposal with the Village of Round Lake.
