File #: 19-0791, Version: 1

Joint resolution authorizing an emergency appropriation and a contract with Berry Dunn McNeil and Parker LLC, Portland, Maine for consulting services to complete a review of contract deliverables for E-filing implementation in an amount not to exceed \$71,984.

- The Clerk of the Circuit Court requested professional consulting services to validate the implementation of a custom developed electronic filing (e-filing) solution to determine if contracts were awarded properly for work related to the project.
- The study was to also review funds expended from the Special Revenue Fund and/or General Fund to determine if they were appropriate for expenses related to the project and there was compliance with applicable county, state and federal laws.
- In furtherance thereof, a Request for Proposal was extended to 22 vendors; sealed proposals were received from two vendors and interviews were held.
- Based on the criteria set forth in the Request for Proposals, an interdepartmental evaluation committee comprised of Clerk of the Circuit Court, the Nineteenth Judicial Circuit Court, and Finance and Administrative Services, recommended Berry Dunn McNeil and Parker LLC as the most favorable proposal for Lake County.
- This contract is in an amount not to exceed \$71,984. Sufficient funds are available in the Document Storage Fund reserves; however, an emergency appropriation is necessary because this project was not included in the Fiscal Year 2019 budget.
