

Lake County Illinois

Legislation Text

File #: 24-0705, **Version:** 1

Presentation and discussion regarding a grant application for a proposed new bike path project at 500 W. Winchester Road in collaboration with the Village of Libertyville.

- The Illinois Transportation Enhancement and Improvement Program provides and supports alternate modes of transportation and enhances the transportation system through preservation of visual and cultural resources with a grant cycle opening in August 2024.
- Staff has prepared an informational presentation on the proposed project with an option to pursue this grant and will look for Committee feedback on the proposed path for funding.
