

Lake County Illinois

Legislation Text

File #: 24-0835, **Version:** 1

Presentation on annual greenhouse gas inventory for the year 2023.

- The 2020 Net-Zero resolution commits Lake County to publicly reporting progress toward goals on an annual basis.
- Staff has prepared an informational presentation documenting the greenhouse gas emissions from County operations for the year 2023 and progress towards reduction goals since the established baseline.
