Legislation Text

File #: 20-1542, Version: 1

Joint resolution accepting Illinois Environmental Protection Agency Section 319 Clean Water Act grant dollars and authorizing an emergency appropriation in the amount of \$6,334.51.

- The Stormwater Management Commission received a Section 319 grant in 2017 to fund three projects throughout Lake County.
- The additional expense of \$6,334.51 was approved by the Illinois Environmental Protection Agency (EPA) for the Charles Brown Park project in the Village of Libertyville, which was completed in 2020, and this amount has been reimbursed to the Stormwater Management Commission.
- This expense was not included in the original Emergency Appropriation for grant expenses and therefore requires an appropriation in order to pay the Village and close this project.

RESOLUTION

WHEREAS, the Lake County Stormwater Management Commission has received revenue from the Illinois Environmental Protection Agency through a Section 319 Clean Water Act grant for the Charles Brown Park Project in the Village of Libertyville; and

WHEREAS, this revenue totaling \$6,334.51 has not been previously appropriated, having been awarded after adoption of the Fiscal Year (FY) 2020 budget; and

WHEREAS, the proposed appropriation will be fully offset by the above referenced items thereby not requiring the expenditure of local tax revenue.

NOW, THEREFORE, BE IT RESOLVED, by this County Board of Lake County, Illinois, that an emergency appropriation in expense account 212-4202194-79950, with offsetting revenue in account 212-4202194-45350, in the amount of \$6,334.51, is approved.

DATED at Waukegan, Illinois, on January 12, 2021.
