Joint resolution approving the Second Amendment to the 2017 Housing and Community Development Annual Action Plan.

- The United States Department of Housing and Urban Development (HUD) requires the submission of an Annual Action Plan (AAP) and associated amendments to govern expenditure of federal housing and community development funding for each year of grant funding.
- Several large investments in new affordable housing projects in the 2017 AAP have been recommended for additional 2018 funding. Per HUD guidance, these activities should be removed from the 2017 AAP and placed in the 2018 AAP. These affordable housing investments include District Senior Living (Mundelein), Marjorie Hart (North Chicago) and LakePointe (Waukegan).
- The proposed Action Plan amendment shifts all activities receiving Program Year 2018 funds from the 2017 AAP into the 2018 AAP.
