Amendment to the Written Standards for Provision of Emergency Solutions Grants (ESG) Assistance.

- The coronavirus pandemic has resulted in significant financial hardship in the community, including the current participants in rapid rehousing programming.
- Rapid Rehousing participants are literally homeless prior to program participation and are given rental assistance for the number of months needed to stabilize the household.
- Proposed policy allows rental assistance to be provided up to the 24-month statutory maximum on a month-by-month basis if there is an unforeseen financial hardship
