

Lake County Illinois

Legislation Text

File #: 09-1243, **Version:** 1

PRESENTATION TO BEGIN AT 8:30 A.M.

Presentation on New Land Development Permit Process Improvements

- The County's Consultant (George Arimes, Horizon Centre, Inc.) will provide Board Members a summary of efforts to date in streamlining and integrating the County's permit process.
- The presentation will summarize customer survey results, explain the new "customer-centered" integrated permit process design, and highlight up-coming milestones to implement this process.
