Joint resolution authorizing line-item transfers of funds between various accounts to transfer previously approved funds in Fiscal Year (FY) 2019.

- A line item transfer is necessary to reallocate funds within the FY 2019 budget to fund capital projects within the Health Department.
- This action transfers previously approved budget authority from the Facility Assessment budget to Health Department capital line items for Patient Access Center renovation and 3010 Grand parking lot expansion.
- The action does not increase budget authority, and the specific account numbers are attached.
