File #: 20-0691, Version: 1

Joint resolution authorizing a contract with Quality Liquid Feeds, Inc., Dodgeville, Wisconsin, to provide molasses for the Des Plaines River, New Century Town, and Mill Creek wastewater reclamation facilities in an estimated annual amount of \$55,000.

- Lake County owns and operates three wastewater reclamation facilities: Des Plaines River, New Century Town, and Mill Creek.
- The molasses is used in the treatment process as a carbon source to sustain the biological nutrient removal (BNR) process.
- The process removes total phosphorus from the plant's discharge.
- Pursuant to Article 6, Section 102, the Purchasing Agent convened an ad hoc review group that approved bid exemption on the basis that there is only one source for the required goods.

RESOLUTION

WHEREAS, Lake County owns and operates three wastewater reclamation facilities Des Plaines River, New Century Town, and Mill Creek.; and
