### Approval of Organization to Administer CDBG-funded Fair Housing Program.

- On Dec 29, an RFQ was released for organizations to administer a Fair Housing Program, per the 2012 Housing & Community Development Annual Action Plan.
- This process is operating on a different cycle than the customary grant process due to changes by a previous grantee and the development of the Analysis of Impediments to Fair Housing Choice.
- One organization, Prairie State Legal Services, responded to the RFQ.
- The Executive Committee reviewed the application and will make a recommendation to the full Community Development Commission.
