

Lake County Illinois

Legislation Text

File #: 10-0901, **Version:** 1

Report on the request for water service from the Heron's Landing Subdivision in Long Grove.

- The Heron's Landing Subdivision in Long Grove has requested that the County extend water service to 118 homes currently served by private wells.
- The County has requested and received approval from the Central Lake County Joint Action Water Agency (CLCJAWA) to extend water service to these properties in Long Grove through an extension of the County's Vernon Hills water system subject to certain terms and conditions.
- The Village of Long Grove is coordinating with the County and the homeowners on the formation of a Village SSA to fund the design and construction of a new water distribution system for this area.
- A review of the preliminary project, proposed costs, and contractual requirements will be reviewed with Committee for direction and input.
