- LCDOT Building "B" (Heavy Duty Repair Shop) Replacement: Appropriation.
- The Heavy Duty Repair Shop will be replaced to improve the efficiency and reliability of large truck and heavy duty equipment, maintenance, and repair operations.
- The renovation will also include upgrades to the electrical, HVAC, fire alarm, lighting, and equipment lift systems.
- This improvement is included in the LCDOT 2013 Highway Improvement program.
- This resolution appropriates \$2,750,000 of Motor Fuel Tax funds.

RESOLUTION

WHEREAS, Lake County Division of Transportation is desirous of replacing and reconfiguring the Heavy Duty Equipment Repair Shop on its Libertyville campus to improve efficiency and reliability; and

WHEREAS, it would be beneficial to the safety and welfare of the motoring public if Building "B", The Heavy Duty Repair Shop, could be reconstructed to extend and reconfigure the repair bays, upgrade the electrical, fire alarm, HVAC, lighting, and equipment lift systems; and

WHEREAS, a feasibility study has been completed, and the architectural and engineering designs are complete with estimates of costs for the construction of this improvement; and

WHEREAS, before the construction letting can be held, an appropriation of funds is needed.

NOW, THEREFORE BE IT RESOLVED by this Lake County Board, that there is hereby appropriated \$2,750,000 of Motor Fuel Tax funds for the replacement of the Heavy Duty Repair Shop (Building "B") at the Division of Transportation campus in Libertyville to support highway maintenance operations, and designated as Section 11-00214-22-MG.

BE IT FURTHER RESOLVED that this appropriation be processed by the County Engineer for final approval of the Illinois Department of Transportation in accordance with the "Agreement of Understanding" between the Illinois Department of Transportation and Lake County, dated January 18, 2013.

DATED at Waukegan, Illinois, on August 13, 2013.
