

Lake County Illinois

Legislation Text

File #: 24-0696, **Version:** 1

Committee action amending Section V.J.7 of the County Board Rules of Order and Operational Procedures inserting additional language to the first bullet under the Legislative Committee responsibilities: “on matters directly related to items under the purview of the County Administrator’s Office. The Committee will not provide positions on items that are under the purview of county-wide elected offices and the Health Department.”
