- County Administrator Patrice Sutton supports the appointment and will provide Mr. Hawkins' time to the transition effort at no cost to the PCC.
- The Transition Manager has the authority to establish, coordinate, direct, and set priorities for required working groups and teams.
- The appointment will remain in effect until rescinded by the PCC or the PCC is disestablished.
- Upon establishment of LakeComm and with the approval of the Lake County Administrator, LakeComm may request an extension of the appointment until an Executive Director is in place.
