Joint resolution authorizing a contract with A Lamp Concrete Contractors, Inc., Schaumburg, Illinois, for the base bid amount of \$97,931, for concrete pavement patching on various County highways, where necessary, and designated as Section 16-00000-10-GM.

- 2016 Concrete Pavement Patching: Contract Award.
- Each year, the Division of Transportation (DOT) undertakes patching of its concrete pavements to preserve surface quality, including repairing damaged manholes, catch basins, curbs and gutters.
- This patching and repair is done on isolated sections of pavements that are not listed in the five-year program for resurfacings/rehabilitation/reconstruction, but have been otherwise identified as needing repair.
- The added alternative bid process was utilized. This process is a combination of the base bid plus alternatives which allows DOT to evaluate responses, consider alternatives, optimize the amount of work that is completed, and maintain alignment with the project budget.
- A total of three bids were received, ranging from \$97,931 to \$190,442.80.
- Only the base bid was considered, with A Lamp Concrete Contractors, Inc., Schaumburg, Illinois, being the lowest responsible bidder with a base contract amount of \$97,931.
