Joint resolution authorizing the execution of an amended agreement for sewage disposal with the Lakes Region Sanitary District (LRSD).

- The County and LRSD entered into a Restated and Amended agreement for sewage disposal services within the Northwest Lake FPA on July 10, 2010.
- The 2010 agreement allowed the LRSD to request amendments to the agreement based on certain provisions in other County agreements for wholesale sewer service in the NWFPA (most favored nations clause).
- This new agreement incorporates terms and conditions, which have been provided to other communities since the 2010 agreement.
- This resolution authorizes the execution of the amended agreement.
