Resolution requesting amendments to the 2009 Lake County State Legislative Program.

- There have been economic and political changes in Springfield that impact Lake County's Legislative Agenda.
- In light of these changes, it is recommended that Lake County simplify the 2009 Legislative Agenda and focus our efforts on the most important items this year.
- This resolution amends the 2009 Legislative Agenda and removes the following activities: brownfield property late penalty, the local recapture of affordable rental housing funds, and the unsewered communities grant fund from the 2009 Legislative Agenda.
- The RRL Committee will keep a list of the removed legislative items for consideration in future years.
