- The proposed MOU serves to formalize the responsibilities of both parties, whereby the County is granting the LCSO the ability to operate the facility as a firearms training facility.
- The LCSO will enter into agreements with other law enforcement agencies to conduct their firearms qualification training. It will also allow the LCSO to allow former law enforcement personnel to use the facility to meet their annual firearms qualification requirement.
- The LCSO will operate the training facility in accordance with the Firearms Training Facility General Orders, have a Certified Range Officer on site to teach and advise on firearm safety and have a LCSO employee on-site, at all times, while other law enforcement agencies are using the facility.
- The LCSO will establish the hours of operation and the hourly rate for the use of the facility. The LCSO will invoice for and collect the fees associated with the use of the facility.
