Presentation on the Second Amendment to the 2015-2019 Consolidated Plan

- An amendment to the 2015-2019 Consolidated Plan for Housing & Community Development is required by the U.S. Department of Housing & Urban Development (HUD) in order to keep five-year and one-year goals aligned for the plan period.
- For each activity in an Action Plan, HUD defines the performance metric that should be tracked. Unexpectedly, the 2019 Action Plan includes the performance metric of "Housing for Homeless Added" that will be added to the five-year plan via this amendment.
- In addition, this Second Amendment to the 2015-2019 Consolidated Plan recalibrates funding and accomplishment goals with action plan goals set since the First Amendment was approved by the Lake County Board on June 13, 2017.
