

Lake County Illinois

Legislation Text

File #: 09-1261, **Version:** 1

Presentation of the Winchester House Market Study and Financial Report update. Information only.

- The County's Coordinating Consultant, Management Performance Associates (MPA), will make a presentation to the Health and Community Services Committee, updating the 2007 Market Study for skilled nursing facilities in Lake County.
- The updated Market Study will recommend to the final size (number of beds) for the new Winchester House.
- MPA will also present information on the updated financial model, showing how the new Winchester House will perform financially with the final bed count recommended in the updated Market Study.
