

Lake County Illinois

Legislation Text

File #: 08-0488, **Version:** 1

Presentation of results of Request for Information for Deferred Compensation Plans (for information purposed only)

- The County issued an RFI to obtain information from other deferred compensation plans.
- The County received 10 responses from various deferred compensation providers.
- A consultant was hired to review the responses and provide the County with an analysis of the responses.
- A synopsis of the analysis will be presented.
