Preambles

Whereas

A. The County of Lake, Illinois (the “*County*”), is a duly organized and existing county created under the provisions of the laws of the State of Illinois, and is now operating under the provisions of the Counties Code, as supplemented and amended (the “*Counties Code*”).

B. The County Board of the County (the “*County Board*”) has heretofore determined and does hereby determine that it is advisable, necessary and in the best interests of the County and its residents, in order to promote the public health, welfare, safety and convenience, to undertake the following:

To acquire and construct County buildings at various locations within the County, including a new health department administrative and medical services building, a new central permitting facility, and a new “East Branch” courthouse facility; including, without limitation, costs of studies and administration, land acquisition and assembly, site improvement including demolition and remediation, rehabilitation, and public infrastructure improvements such as roads, sidewalks, landscaping, traffic signals, curb and gutter, water system improvements, sanitary and stormwater system improvements, and gas, electric and telecommunications facilities

(the “*Project*”).

C. The costs, expenses and contingencies related to the Project include legal, financial, accounting and engineering services related to the accomplishment of the Project and the issuance of bonds therefor; bond discount; capitalized bond interest; bond registrar, paying agent and other related banking fees; and printing and publication costs; and other miscellaneous costs (all being the “*Project Costs*”).

D. Pursuant to the provisions of the Local Government Debt Reform Act of the State of Illinois, as amended (the “*Reform Act*”), alternate bonds (as defined in the Reform Act) may be issued pursuant to Applicable Law (as defined therein) for the Project; there exists a source of funds for the Project (to-wit, sales taxes received by the County pursuant to the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailer’s Occupation Tax Act, or substitute taxes therefor, each as supplemented and amended

from time to time by the General Assembly of State of Illinois [collectively, and as fully defined in the text below in Section 1 of this Ordinance, the “*Sales Taxes*”), other than enterprise revenues as defined in the Reform Act, received or available to be received by the County and available for any one or more of its corporate purposes; and, accordingly, as provided in the Reform Act, the County is authorized to issue its alternate bonds payable from the Sales Taxes for the Project.

E. It is necessary and for the best interests of the County that the Project be undertaken, and in order to raise the funds required for the Project Costs, it will be necessary for the County to borrow at this time \$35,360,000 and in evidence thereof to issue alternate bonds under the Reform Act, payable from such revenue source (the Sales Taxes), all as provided by the Reform Act, in an aggregate principal amount of \$35,360,000.

F. The County Board, on the 8th day of July 2008, adopted an Ordinance (the “*Authorizing Ordinance*”), authorizing the issuance of general obligation sales tax alternate bonds, being general obligation bonds payable from a revenue source as provided by the Reform Act (the “*Sales Tax Alternate Bonds*”), in an amount not to exceed \$40,000,000 for the Project.

G. On the ____ day of July 2008, the Authorizing Ordinance, which included therein a notice in the statutory form, was published in *The News Sun*, and an affidavit evidencing the publication of the Authorizing Ordinance and said notice has heretofore been presented to the County Board and made a part of the permanent records of the County.

H. More than thirty (30) days have expired from the date of publication of the Authorizing Ordinance and said notice, and no petition with the requisite number of valid signatures thereon was filed with the County Clerk, requesting that the question of the issuance of the Sales Tax Alternate Bonds for the Project be submitted to referendum.

I. None of the Sales Tax Alternate Bonds has previously been issued.

J. The County Board has been authorized to issue the Sales Tax Alternate Bonds to the amount of not to exceed \$40,000,000 in accordance with the provisions of the Reform Act and the Authorizing Ordinance; and the County Board hereby determines that it is necessary and advisable that there be issued at this time all of the

\$35,360,000 of the bonds so authorized (herein the “*Bonds*”).

K. The Bonds to be issued will be payable from the Pledged Sales Tax Income and the Pledged Taxes, both as hereinafter defined.

L. The County Board hereby determines that the Pledged Sales Tax Income will provide in each year to final maturity of the Bonds an amount not less than 1.25 times debt service of the following outstanding bonds of the County:

1. General Obligation Refunding Bonds, Series 2005 (Sales Tax Alternate Revenue Source) and
2. the Bonds, as now proposed to be issued,

said series of bonds being all of the alternate bonds payable from the Pledged Sales Tax Income.

M. Such determination of the sufficiency of the Pledged Sales Tax Income is supported by reference to the most recent audit of the County for the fiscal year ended November 30, 2007 (the “*Audit*”), which audit is for a fiscal year ending not earlier than 18 months previous to the time of issuance of the Bonds herein authorized.

Now Therefore Be It Ordained by the County Board of The County of Lake, Illinois, as follows:

Those of the Bonds due on November 30 of the years as follows are Term Bonds under this Ordinance and are subject to mandatory redemption by operation of the Bond Fund at a price of par and accrued interest, without

For the Term Bonds of November 30, 20__

Year Amount (\$)

with \$ _____ remaining to be paid at maturity.

For the Term Bonds of November 30, 20__

YearAmount (\$)

with \$ _____ remaining to be paid at maturity.

For the Term Bonds of November 30, 20__

YearAmount (\$)

with \$ _____ remaining to be paid at maturity.

Each Bond shall bear interest from its Dated Date as herein provided or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid or duly provided for, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on May 30 and November 30 of each year, commencing on May 30, 2009. Interest on each Bond shall be paid by check or draft of the Bond Registrar, payable upon presentation thereof in lawful money of the

United States of America, to the person in whose name such Bond is registered at the close of business on the applicable Record Date, mailed to the address of such registered owner as it appears on such registration books or at such other address as is furnished in writing by such registered owner to the Bond Registrar, or as otherwise may be agreed with the Depository for so long as the Depository is the registered owner as of a given Record Date. The principal of or redemption price due on the Bonds shall be payable in lawful money of the United States of America upon presentation thereof at the office so maintained for the purpose of the Bond Registrar in the City of Waukegan, Illinois, or at successor Bond Registrar or locality.

Section 5. Execution; Authentication. The Bonds shall be executed on behalf of the County by the manual or duly authorized facsimile signature of its Chair and attested by the manual or duly authorized facsimile signature of its County Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the County. In case any such officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Bonds shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the Bond Registrar as authenticating agent of the County and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 6. Book Entry Provisions. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of the Depository or a designee or nominee of the Depository (such depository or nominee being the "*Book Entry Owner*"). Except as otherwise expressly provided, all of the outstanding Bonds from time to time shall be registered in the Bond Register in the name of the Book Entry Owner (and accordingly in Book Entry Form as such term is used in this Ordinance). Any County officer, as representative of the County, is hereby authorized, empowered and directed to execute and deliver or to utilize the standing provisions of an existing Letter of Representations or Blanket Letter of Representations (either being the "*Letter of Representations*") substantially in the form common in the industry, or with such changes therein as the officer executing the Letter of Representations on behalf of the County shall approve, his or her execution thereof to constitute conclusive evidence of his or her approval of such changes, as shall be necessary to effectuate Book Entry Form. Without limiting the generality of the authority given with respect to entering into such Letter of Representations, it may contain provisions relating to (a) payment procedures, (b) transfers of the Bonds or of beneficial interests therein, (c) redemption notices and procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices. With respect to Bonds registered in the Bond Register in the name of the Book Entry Owner, neither the County nor the Bond Registrar shall have any responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a

“*Depository Participant*”) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the immediately preceding sentence, neither the County nor the Bond Registrar shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Book Entry Owner, or any Depository Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register or as otherwise expressly provided in the Letter of Representations, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds. No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. In the event that (A) the County determines that the Depository is incapable of discharging its responsibilities described herein and in the Letter of Representations, (B) the agreement among the County, the Bond Registrar, and the Depository evidenced by the Letter of Representations shall be terminated for any reason, or (C) the County determines that it is in the best interests of the County or of the beneficial owners of the Bonds either that they be able to obtain certificated Bonds or that another depository is preferable, the County shall notify the Depository and the Depository shall notify the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the Book Entry Owner. Alternatively, at such time, the County may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a system accommodating Book Entry Form, as may be acceptable to the County, or such depository’s agent or designee, but if the County does not select such alternate Book Entry system, then the Bonds shall be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

Section 7. Optional Redemption. Those of the Bonds due on or after November 30, 2018, are subject to redemption prior to maturity at the option of the County, from any available funds, in whole or in part on any date on or after May 30, 2018, and, if in part, in any order of maturity as selected by the County, and if less than an entire maturity, in integral multiples of \$5,000, selected by lot by the Bond Registrar as hereinafter provided, at a redemption price of par plus accrued interest to the date fixed for redemption.

Section 8. Term Bonds; Mandatory Redemption and Covenants; Effect of Purchase or Optional Redemption of Term Bonds. Those of the Bonds denominated Term Bonds shall be subject to mandatory redemption by operation of the Bond Fund at a price of par and accrued interest, without premium, on November 30 of the years and in the amounts set forth for same. The County covenants that it will redeem Term Bonds pursuant to the mandatory redemption requirement for such Term Bonds. Proper provision for mandatory redemption having been made, the County covenants that the Term Bonds so selected for redemption shall be payable as at maturity. If the County redeems pursuant to optional redemption as provided for the Bonds or purchases Term Bonds of any maturity and cancels the same from Bond Moneys as hereinafter described, then an amount equal to the principal amount of Term Bonds so redeemed or purchased shall be deducted from the mandatory redemption requirements provided for Term Bonds of such maturity, first, in the current year of such requirement, until the requirement for the current year has been fully met, and then in any order of such Term Bonds as due at maturity or subject to mandatory redemption in any year, as the County shall determine. If the County redeems pursuant to optional redemption or purchases Term Bonds of any maturity and cancels the same from moneys other than Bond Moneys, then an amount equal to the principal amount of Term Bonds so redeemed or purchased shall be deducted from the amount of such Term Bonds as due at maturity or subject to mandatory redemption requirement in any year, as the County shall determine.

Section 9. Redemption Procedures. The Bonds subject to redemption shall be identified, notice given, and paid and redeemed pursuant to the procedures as follows.

A. Notice to Registrar; Selection of Bonds. For a mandatory redemption, unless otherwise

notified by the County, the Bond Registrar will proceed on behalf of the County as its agent to provide for the mandatory redemption of such Term Bonds without further order or direction hereunder or otherwise. For an optional redemption, the County shall at least 45 days prior to a redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the maturities and principal amounts of Bonds to be redeemed. For purposes of any redemption of less than all of the Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar for the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided*, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall make such selection upon the earlier of the irrevocable receipt or notice of deposit of funds sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

B. Official Notice of Redemption. The Bond Registrar shall promptly notify the County in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed. Unless waived by the registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Registrar on behalf of the County by mailing the redemption notice by first class U.S. mail not less than 30 days and not more than 60 days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar. All official notices of redemption shall include the name of the Bonds and at least the information as follows:

- (1) the redemption date;
- (2) the redemption price;
- (3) if less than all of the outstanding Bonds of a particular maturity are to be redeemed, the

identification (and, in the case of partial redemption of Bonds within such maturity, the respective principal amounts) of the Bonds to be redeemed;

(4) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and

(5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the corporate trust office of the Bond Registrar so maintained for such purpose.

C. Conditional Redemption. Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the County, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the County shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

D. Bonds Shall Become Due. Subject to the stated condition in paragraph C immediately preceding, official notice of redemption having been given as described, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the County shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due.

E. Insufficiency in Notice Not Affecting Other Bonds; Failure to Receive Notice; Waiver.

Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. In lieu of the foregoing official notice, so long as the Bonds are held in Book Entry Form, notice may be given as provided in the Letter of Representations, and the giving of such notice shall constitute a waiver by the Depository and the Book Entry Owner, as registered owner, of the foregoing notice.

F. New Bond in Amount Not Redeemed. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of authorized denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

G. Effect of Nonpayment upon Redemption. If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption.

H. Bonds to Be Cancelled; Payment to Identify Bonds. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued. Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

I. Additional Notice. The County agrees to provide such additional notice of redemption as it may deem advisable at such time as it determines to redeem Bonds, taking into account any requirements or guidance of the Securities and Exchange Commission, the Municipal Securities Rulemaking Board, the Government Accounting Standards Board, or any other federal or state agency having jurisdiction or authority in such matters; *provided, however*, that such additional notice shall be (1) advisory in nature, (2) solely in the discretion of the County, (3) not be a condition precedent of a valid redemption or a part of the Bond contract, and (4) any failure or defect in such notice shall not delay or invalidate the redemption of Bonds for which proper official notice shall have been given. Reference is also made to the provisions of the Continuing Disclosure Undertaking of the County with respect to the Bonds, which may contain other provisions relating to notice of redemption of Bonds.

J. Bond Registrar to Advise County. As part of its duties hereunder, the Bond Registrar shall prepare and forward to the County a statement as to notices given with respect to each redemption together with copies of the notices as mailed.

Section 10. Registration of Bonds; Persons Treated as Owners. The County shall cause books (the “*Bond Register*”) for the registration and for the transfer of the Bonds as provided in this Ordinance to be kept at the office designated for such purpose of the Bond Registrar, which is hereby constituted and appointed the registrar of the County for the Bonds. The County is authorized to prepare, and the Bond Registrar or such other agent as the County may designate shall keep custody of, multiple Bond blanks executed by the County for use in the transfer and exchange of Bonds. Subject to the provisions of this Ordinance relating to the Bonds in Book Entry Form, any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the office designated for such purpose of the Bond Registrar, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the County shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount. The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date or during the period of 15 days preceding the giving of notice of redemption of the Bonds or to transfer or exchange any Bond all or a portion of which has been called for redemption. The execution by the County of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however*, the principal amount of Bonds and maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid. The person in whose name any Bond shall be registered shall be deemed and regarded as the

absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. No service charge shall be made to any registered owner of Bonds for any transfer or exchange of Bonds, but the County or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Section 11. Form of Bonds. The Bonds shall be in substantially the form hereinafter set forth; *provided, however,* that if the text of the Bonds is to be printed in its entirety on the front side of the Bonds, then the second paragraph on the front side and the legend “See Reverse Side for Additional Provisions” shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.

Section 12. Sale of Bonds. The Bonds shall be executed as in this Ordinance provided as soon after the passage hereof as may be, shall be deposited with the County Controller, and shall be by the County Controller delivered to the Purchaser upon payment of the Purchase Price, plus accrued interest to date of delivery. The contract for the sale of the Bonds to the Purchaser, as evidenced by the County's Official Notice of Sale of the Bonds and the Official Bid Form as executed and submitted by the Purchaser, is hereby in all respects approved and confirmed, and any of the Designated Officers is authorized and directed to execute the Official Bid Form as submitted on behalf of the County, it being hereby declared that no person holding any office of the County, either by election or appointment, is in any manner interested, either directly or indirectly, in his own name or the name of any other person, association, trust or corporation, in such contract for the sale of the Bonds to such Purchaser. The (Preliminary) Official Statement of the County, dated July __, 2008, relating to the Bonds, heretofore presented to the County Board is hereby ratified and approved. The Official Statement (by Addendum) of the County, to be dated within seven (7) business days of the date hereof, relating

to the Bonds (the “*Official Statement*”), is hereby authorized and approved, and the Purchaser is hereby authorized on behalf of the County to distribute copies of the Official Statement to the ultimate purchasers of the Bonds. The Designated Officers, or any of the Designated Officers, are hereby authorized to execute and deliver the Official Statement on behalf of the County.

Section 13. Treatment of Bonds as Debt. The Bonds shall be payable from the Pledged Moneys and do not and shall not constitute an indebtedness of the County within the meaning of any constitutional or statutory limitation, unless the Pledged Taxes shall be extended pursuant to the general obligation, full faith and credit promise supporting the Bonds, in which case the amount of the Bonds then Outstanding shall be included in the computation of indebtedness of the County for purposes of all statutory provisions or limitations until such time as an audit of the County shall show that the Bonds have been paid from the Pledged Sales Tax Income for a complete Fiscal Year, in accordance with the Reform Act.

Section 14. 2008A Alternate Bond Fund. Subject to the provisions below (Section 16), there is hereby created a special fund of the County, which fund shall be held separate and apart from all other funds and accounts of the County and shall be known as the “2008A Alternate Bond Fund” (the “*Bond Fund*”). The purpose of the Bond Fund is to provide a fund to receive and disburse the Pledged Sales Tax Income for the Bonds and to receive and disburse Pledged Taxes for any (or all) of the Bonds. (Moneys on deposit in the Bond Fund from any source may be referred to as “*Bond Moneys*.”) There are hereby created two accounts of Bond Fund, designated the Pledged Sales Tax Income Account and the General Account. All Pledged Sales Tax Income as required for the Bonds shall be deposited to the credit of the Pledged Sales Tax Income Account, and all Pledged Taxes shall be deposited to the credit of the General Account. The Bond Fund and its respective accounts constitute a trust fund established for the purpose of carrying out the covenants, terms and conditions imposed upon the County by this Ordinance. The Pledged Sales Tax Income is to be paid to the County Treasurer by the officers who collect or receive the Pledged Sales Tax Income. The County Treasurer shall deposit the Pledged Sales Tax Income to the Pledged Sales Tax Income Account of the Bond Fund (at the times and in the amounts required by Section 19 hereof). Any Pledged Taxes received by the County shall promptly be deposited into the General Account of the Bond Fund. Pledged Taxes on deposit to the credit of the General Account of the Bond Fund shall be fully spent to pay the principal of and interest and premium, if any, prior to use of any moneys on deposit in the Pledged Sales Tax Income Account of the Bond Fund. Bond Moneys on deposit in the Bond Fund shall be used as follows:

- A. Bond Moneys shall be applied to the payment of interest when due and principal or redemption price when due at maturity or as redeemed pursuant to mandatory redemption from the Bond Fund, or
- B. On or before 65 days preceding a mandatory redemption date, and provided notice is given to the Bond Registrar on or before said 65th day preceding a mandatory redemption date, Bond Moneys up to the amount of the redemption requirement on such mandatory redemption date plus interest due on Term Bonds on such date may be applied (1) to the purchase of Term Bonds of the maturity for which such mandatory redemption requirement was established at prices (including commissions and charges, if any) not exceeding par and accrued interest to such mandatory redemption date or (2) to the redemption of such Bonds, without premium, pursuant to optional redemption provisions applicable thereto. Upon the purchase or redemption of Term Bonds of any maturity pursuant to this paragraph

(B), an amount equal to the principal amount of such Bonds or applicable portion thereof so purchased or redeemed shall be deducted from the mandatory redemption requirement as provided for Term Bonds of such maturity, first, in the current year of such requirement, until the requirement for the current year has been fully met, and then in any order of payment on the Term Bonds as due at maturity or subject to mandatory redemption in any year as the County shall at such time determine.

Interest or principal coming due at any time when there are insufficient funds on hand from the aforesaid sources dedicated to the payment of the same shall be paid promptly when due from current funds on hand in advance of the collection of such moneys; and when such moneys shall have been collected, reimbursement shall be made to said funds in the amount so advanced. The County covenants and agrees with the purchasers and registered owners of the Bonds that so long as any of the Bonds remain outstanding, the County will take no action or fail to take any action which in any way would adversely affect the ability of the County to levy and collect the Pledged Taxes. The County and its officers will comply with all present and future applicable laws in order to assure that the Pledged Taxes, to the extent necessary, may be levied, extended and collected as provided herein and deposited into the Bond Fund.

Section 15. Use of Bond Proceeds; Project Fund. The proceeds derived from the sale of the Bonds shall be used as follows:

A. Accrued interest received by the County upon the sale of the Bonds shall be remitted by the County Treasurer for deposit into the Pledged Sales Tax Income Account of the Bond Fund for the Bonds and be used to pay first interest coming due on the Bonds.

B. Subject to the provisions below (Section 16), the remaining funds shall be set aside in a separate fund hereby created and designated as the "Project Fund (2008A)" (the "*Project Fund*"). Moneys in said fund shall be withdrawn from time to time as needed for the payment of Project Costs; and, subject to the provisions below (Section 16), said moneys shall be disbursed by the County from time to time only upon submission to the County Treasurer of the following:

(1) If such disbursement is for payment to a supplier, materialman, or contractor for work done in connection with the Project, a certificate executed by the County officer, the engineer or the

architect in charge of the construction or acquisition of the pertinent project stating the amount of materials supplied or the nature of the work completed, that such materials have been properly accepted or such work approved by him or her, the amount due and payable thereon, and the amount remaining to be paid in connection with the project as applicable; and

(2) A duplicate copy of the order signed by an authorized officer of the County, who shall not be the same officer as set forth in clause (1), stating specifically the purpose for which the order is issued and indicating that the payment for which the order is issued has been approved by the County.

Funds on deposit in the Project Fund may be invested by the County Treasurer in any lawful manner. All investment earnings in the Project Fund shall first be reserved and transferred to such other account as and to the extent necessary to pay any “excess arbitrage profits” or “penalty in lieu of rebate” under the Code Section 148 to maintain the Tax-exempt status of the Bonds, and the remainder shall be retained in the Project Fund for Project Costs. Within sixty (60) days after full depletion of the Project Fund, or if the Project has been fully completed and accepted, the County Treasurer shall certify to the County Board the fact of such depletion or the engineer or architect or County officer in responsible charge of the Project shall certify to the County Board the fact that the work has been completed and accepted, and upon approval of such certification by the County Board, funds (if any) remaining in the Project Fund shall be credited by the County Treasurer to the Bond Fund; and the Project Fund shall be closed.

Section 16. Alternate Accounting and Disbursement Procedure. In the alternative to the establishment of the Bond Fund or Project Fund named above, the Controller or Treasurer may allocate the moneys otherwise to be deposited into or earned in the Bond Fund or Project Fund to one or more other related funds or accounts of the County now in existence; *provided, however,* that such allocation shall not relieve such officers of the duties to invest and otherwise treat and account for such moneys as if the Bond Fund or the Project Fund had in fact been established. Further, the requirements set forth above for disbursements from the Project Fund are waived in favor of regular County procedures for disbursements of funds, so long as such procedures require a County officer or employee to find the work for which payment is sought properly done, that County Board approval of payment is required prior to disbursement, and that two separate County officers are required for disbursement (such as the Controller authorizing and the Treasurer making payment).

Section 17. Pledged Taxes; Tax Levy. For the purpose of providing necessary funds to pay the principal of and interest on the Bonds, and as provided in Section 15 of the Reform Act, there is hereby levied upon all of the taxable property within the County, in the years for which any of the Bonds are Outstanding, a direct annual tax in amounts sufficient for that purpose, and there be and there hereby is levied upon all of the

taxable property in the County the following direct annual taxes (the Pledged Taxes):

For the Year	A Tax Sufficient to Produce the Sum of:

Section 18. Filing with County Clerk. After this Ordinance becomes effective, a copy hereof shall be filed with the County Clerk. The County Clerk shall in and for each of the years required ascertain the rate percent required to produce the aggregate Pledged Taxes hereinbefore provided to be levied in each of said years; and the County Clerk shall extend the same for collection on the tax books in connection with other taxes levied in said years in and by the County for general corporate purposes of the County; and the County Clerk, or other appropriate officer or designee, shall remit the Pledged Taxes for deposit to the credit of the General Account of the Bond Fund, and in said years the Pledged Taxes shall be levied and collected by and for and on behalf of the County in like manner as taxes for general corporate purposes of the County for said years are levied and collected, and in addition to and in excess of all other taxes. The Pledged Taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying principal of and interest on the Bonds.

Section 19. Abatement of Pledged Taxes. For the purpose of providing Pledged Sales Tax Income in each year sufficient to pay debt service of all Outstanding Bonds for such year, the County agrees and covenants to make provision therefor in the County’s annual budget and appropriation ordinance to be duly adopted by the County Board, all in the manner, form, and time as provided by law. Prior to the deadline for the timely annual abatement of the Pledged Taxes for the Bonds, but in no event *earlier* than December 1st of the year in which such Pledged Taxes are levied (*i.e.*, the year prior to extension and collection), the Controller shall cause to be deposited Pledged Sales Tax Income into the proper account in an amount necessary to provide for the payment of interest and principal coming due on the Bonds otherwise payable from the proceeds of such tax levy. Upon (but in no event prior to) the deposit of such moneys, the County Board or the officers of the County acting with proper authority shall direct the abatement of such levy of Pledged Taxes for the Bonds to the extent of the moneys so deposited.

Section 20. Pledged Sales Tax Income; General Covenants. The County covenants and agrees with the holders of the Bonds that, so long as any Bonds remain Outstanding:

A. The Pledged Sales Tax Income (heretofore pledged to the payment of the Prior Alternate Sales Tax

Bonds) is hereby also pledged to the payment of the Bonds; and the County Board covenants and agrees to provide for, collect and apply the Pledged Sales Tax Income to the payment of all of such bonds as are from time to time Outstanding Bonds and the provision of not less than an additional 0.25 times debt service thereon, all in accordance with Section 15 of the Reform Act.

B. The County will punctually pay or cause to be paid from the Pledged Sales Tax Income Account of the Bond Fund the principal of, interest on and premium, if any, to become due in respect to the Bonds in strict conformity with the terms of the Bonds and this Ordinance, and it will faithfully observe and perform all of the conditions, covenants and requirements thereof.

C. The County will pay and discharge, or cause to be paid and discharged, from the Pledged Sales Tax Income Account of the Bond Fund any and all lawful claims which, if unpaid, might become a lien or charge upon the Pledged Sales Tax Income, or any part thereof, or upon any such funds in the hands of the Bond Registrar, or which might impair the security of the Bonds. Nothing herein contained shall require the County to make any such payment so long as the County in good faith shall contest the validity of said claims.

D. The County will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the County, in which complete and correct entries shall be made of all transactions relating to the Pledged Sales Tax Income and to the Pledged Sales Tax Income Account of the Bond Fund and the Bond Fund.

E. The County will preserve and protect the security of the Bonds and the rights of the registered owners of the Bonds, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Bonds by the County, the Bonds shall be incontestable by the County.

F. The County will adopt, make, execute and deliver any and all such further ordinances, resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention of, or to facilitate the performance of, this Ordinance, and for the better assuring and confirming unto the holders

of the Bonds of the rights and benefits provided in this Ordinance.

G. The County will continue to deposit the Pledged Sales Tax Income and, if necessary, the Pledged Taxes to the appropriate accounts of the Bond Fund. The County covenants and agrees with the purchasers of the Bonds and with the registered owners thereof that so long as any Bonds remain Outstanding, the County will take no action or fail to take any action which in any way would adversely affect the ability of the County to collect the Pledged Sales Tax Income. The County and its officers will comply with all present and future applicable laws in order to assure that the Pledged Sales Tax Income and the Pledged Taxes may be collected as provided herein and deposited into the Bond Fund.

H. Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the County, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the Pledged Revenues, from the levy of the Pledged Taxes as provided in the Act.

Section 21. Additional Bonds. The County reserves the right to issue Additional Bonds without limit from time to time payable from the Pledged Sales Tax Income, and any such Additional Bonds shall share ratably and equally in the Pledged Sales Tax Income with the Bonds.

Section 22. Bond Registrar Covenants. If requested by the Bond Registrar, the Designated Officers are authorized to execute the Bond Registrar's standard form of agreement between the County and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder. Subject to modification by the express terms of any such agreement, such duties shall include the following: (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein; (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the County upon request, but otherwise to keep such list confidential to the extent permitted by law; (c) to give notice of redemption of Bonds as provided herein; (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer; (e) to furnish the County at least annually a certificate with respect to Bonds cancelled and/or destroyed and (f) to furnish the County at least annually an audit confirmation of Bonds paid, Outstanding Bonds and payments made with respect to interest on the Bonds. The County Clerk is hereby directed to file a certified copy of this Ordinance with the Bond Registrar. The County covenants with respect to the Bond Registrar, and the Bond Registrar further covenants and agrees as follows:

A. The County shall at all times retain a Bond Registrar with respect to the Bonds; it will maintain at the designated office(s) of such Bond Registrar a place or places where Bonds may be presented for payment, registration, transfer or exchange; and it will require that the Bond Registrar properly maintain the Bond Register and perform the other duties and obligations imposed upon it by this Ordinance in a manner consistent with the standards, customs and practices of the municipal securities industry.

B. The Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Ordinance by executing the certificate of authentication on any Bond, and by such execution the Bond Registrar shall be deemed to have certified to the County that it has all requisite power to accept and has accepted such duties and obligations not only with respect to the Bond so authenticated but with respect to all the Bonds. Any Bond Registrar shall be the agent of the County and shall not be liable in connection with the performance of its duties except for its own negligence or willful wrongdoing. Any Bond Registrar shall, however, be responsible for any representation in its certificate of authentication on Bonds.

C. The County may remove the Bond Registrar at any time. In case at any time the Bond Registrar shall resign, shall be removed, shall become incapable of acting, or shall be adjudicated a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Bond Registrar or of the property thereof shall be appointed, or if any public officer shall take charge or control of the Bond Registrar or of the property or affairs thereof, the County covenants and agrees that it will thereupon appoint a successor Bond Registrar. The County shall give notice of any such appointment made by it to each registered owner of any Bond within twenty days after such appointment in the same manner, or as nearly the same as may be practicable, as for a redemption of Bonds. Any Bond Registrar appointed under the provisions of this Section shall be a bank, trust company, or national banking association maintaining trust offices in the City of Chicago, Illinois, or in the City of New York, Borough of Manhattan, State of New York, New York, and having capital and surplus and undivided profits in excess of \$100,000,000

Section 23. General Tax Covenants. The County hereby covenants that it will not take any action, omit to take any action, or permit the taking or omission of any action, within its control (including, without limitation, making or permitting, any use of the proceeds of the Bonds) if taking, permitting, or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The County acknowledges that, in the event of an examination by the Internal Revenue Service of the exemption from Federal income taxation for interest paid on the Bonds, under present rules, the County is treated as the “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the Internal Revenue Service in connection with such an examination. In furtherance of the foregoing provisions, but without limiting their generality, the County agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants, and assurances contained in certificates or agreements as may be prepared by counsel approving the Bonds; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms,

statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the County in such compliance.

Section 24. Certain Specific Tax Covenants. A. None of the Bonds shall be a “private activity bond” as defined in Section 141(a) of the Code; and the County certifies, represents, and covenants as follows:

- (1) Not more than 5% of the net proceeds of the Bonds is to be used, directly or indirectly, in any trade or business carried on by any person other than a state or local governmental unit.
- (2) Not more than 5% of the amounts necessary to pay the principal of and interest on the Bonds will be derived, directly or indirectly, from payments with respect to any private business use by any person other than a state or local governmental unit.
- (3) None of the proceeds of the Bonds is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.
- (4) No user of the infrastructure of the County to be improved as part of the Project, other than the County or another governmental unit, will use the same on any basis other than the same basis as the general public; and no person, other than the County or another governmental unit, will be a user of such infrastructure as a result of (i) ownership or (ii) actual or beneficial use pursuant to a lease, a management or incentive payment contract other than as expressly permitted by the Code, or (iii) any other arrangement.

B. The Bonds shall not be “arbitrage bonds” under Section 148 of the Code; and the County certifies, represents, and covenants as follows:

- (1) With respect to the Project, the County has heretofore incurred or within six months after delivery of the Bonds expects to incur substantial binding obligations to be paid for with money received from the sale of the Bonds, said binding obligations comprising binding contracts for the Project in not less than the amount of 5% of the proceeds of the Bonds.
- (2) More than 85% of the proceeds of the Bonds are expected to be expended on or before three years from the date hereof for the purpose of paying the costs of the Project.
- (3) All of the principal proceeds of the Bonds and investment earnings thereon are expected to be

used, needed, and expended for the purpose of paying the costs of the Project, including expenses incidental thereto.

(4) Work on the Project is expected to proceed with due diligence to completion.

(5) Except for the Bond Fund, the County has not created or established and will not create or establish any sinking fund, reserve fund, or any other similar fund to provide for the payment of the Bonds. The Bond Fund has been established and will be funded in a manner primarily to achieve a proper matching of revenues and debt service and will be depleted at least annually to an amount not in excess of 1/12th the particular annual debt service on the Bonds. Money deposited into the Bond Fund will be spent within a 13-month period beginning on the date of deposit, and investment earnings in the Bond Fund will be spent or withdrawn from the Bond Fund within a one-year period beginning on the date of receipt.

(6) Amounts of money related to the Bonds required to be invested at a yield not materially higher than the yield on the Bonds, as determined pursuant to such tax certifications or agreements as the County officers may make in connection with the issuance of the Bonds, shall be so invested; and appropriate County officers are hereby authorized and directed to make such investments.

(7) Unless an applicable exception to Section 148(f) of the Code, relating to the rebate of “excess arbitrage profits” to the United States Treasury (the “*Rebate Requirement*”) is available to the County, the County will meet the Rebate Requirement.

(8) Relating to applicable exceptions, any County officer charged with issuing the Bonds is hereby authorized to make such elections under the Code as such officer shall deem reasonable and in the best interests of the County. If such election may result in a “penalty in lieu of rebate” as provided in the Code, and such penalty is incurred (the “*Penalty*”), then the County shall pay such Penalty.

(9) The officers of the County shall cause to be established, at such time and in such manner as they may deem necessary or appropriate hereunder, a “*General Obligation Bonds (Sales Tax Alternate Revenue Source), Series 2008A, Rebate [or Penalty, if applicable] Fund*” or such officers may utilize a

similar purpose fund or account of the County (either being the “*Rebate Fund*”) for the Bonds, and such officers shall further, not less frequently than annually, cause to be transferred or allocated to the Rebate Fund the amount determined to be the accrued liability under the Rebate Requirement or Penalty. Said officers shall cause to be paid to the United States Treasury, without further order or direction from the County Board, from time to time as required, amounts sufficient to meet the Rebate Requirement or to pay the Penalty.

C. None of the proceeds of the Bonds will be used to pay, directly or indirectly, in whole or in part, for an expenditure that has been paid by the County prior to the date hereof except architectural or engineering costs incurred prior to commencement of any of the Project or expenditures for which an intent to reimburse has been properly declared under Treasury Regulations Section 1.103-18. This Ordinance is in itself a declaration of official intent under Treasury Regulations Section 1.103-18 as to all Project Costs paid after the date hereof and prior to issuance of the Bonds.

D. The County reserves the right to use or invest moneys in connection with the Bonds in any manner, or to make changes in the definition of the Project, or to use the County infrastructure acquired, constructed, or improved as part of the Project in any manner, notwithstanding the representations and covenants relating to the Tax-exempt status of the Bonds (Sections 23 and 24 herein), provided it shall first have received an opinion from an attorney or a firm of attorneys generally acceptable to purchasers of state and local governmental bonds to the effect that use or investment of such moneys or the changes in or use of such infrastructure as contemplated are proper under state law and will not result in loss or impairment of the Tax-

exempt status of the Bonds.

Section 26. Municipal Bond Insurance. In the event the payment of principal of and interest on the Bonds is insured pursuant to a municipal bond insurance policy (a "*Municipal Bond Insurance Policy*") issued by a bond insurer (a "*Bond Insurer*"), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the County and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer when holding Bonds, amendment hereof, or other terms, as approved by the Chair of the County Board or any of the Designated Officers on advice of counsel, his, her or their approval to constitute full and complete acceptance by the County of such terms and provisions under authority of this section.

Section 27. Defeasance. Bonds which are no longer Outstanding Bonds as defined in this Ordinance shall cease to have any lien on or right to receive or be paid from the Pledged Sales Tax Income or the Pledged Taxes, and shall no longer have the benefits of any covenant for the registered owners of Outstanding Bonds as set forth herein as such relates to lien and security for the Bonds in the Pledged Sales Tax Income or the Pledged Taxes.

Section 28. This Ordinance a Contract. The provisions of this Ordinance shall constitute a contract between the County and the registered owners of the Bonds, and no changes, additions or alterations of any kind shall be made hereto, except as herein provided.
