File #: 10-1083, Version: 1

Joint resolution for the continuation of the State's Attorney's Prosecutor-Based Victim Services grant program (agreement #210177) with \$61,127 in federal funds awarded by the Illinois Criminal Justice Information Authority for the time period of October 1, 2010 through September 30, 2011.

- This is for a victim assistance grant renewal administered through the Illinois Criminal Justice Information Authority.
- Funding for this grant began in 1991 and has been renewed each year.
- Though funding allocated to the State of Illinois for distribution to Prosecutor Based Victim Services programs in FY2008 had been reduced by over 20%, the 2009 American Reinvestment and Recovery Act (ARRA) stimulus funding increased FY2009 funding by 17%, and this year's FY2010 amount increased 12% from 2009, from \$54,578 to \$61,127.
- This year our grant is changing focus from the previously under-served Hispanic victim population to the currently under-served sexual assault victim population.
- Of the \$61,127 in federal funds, \$54,629 is allocated to the grant-assigned Sexual Assault Victim Witness Counselor's salary: this dollar amount is consistent with last year's salary allocation. The 2010 increase (\$6,498) in federal funds are allocated to training and contractual printing: these expenses are necessary to assure that sexual assault victims receive specialized services and pertinent information early in the process.
- The \$54,629 for salary and \$6,498 for training and printed materials comprise the total award amount of \$61,127.
- The 20% required match, in the amount of \$15,282, consists of \$7,755 from the State's Attorney Asset Forfeiture Fund and \$7,528 in County contribution as budgeted in the State's Attorney's budget through grant management center 101-3311010.
