

Lake County Illinois

Legislation Text

File #: 11-0790, Version: 2

Joint resolution authorizing the execution of a supplemental appropriation of \$65,000 and a supplemental agreement between Lake County and AMEC Environment & Infrastructure, Chicago, Illinois, for the provision of additional Phase II professional engineering services for Everett Road at the I-94 Tollway bridge for deck repair and resurfacing, and Deerfield Road at the I-94 Tollway bridge for expansion joint inspection and repair at a supplemental cost of services described of \$53,161 and designated as Section 10-00123-06-RS.

- Everett Road and Deerfield Road at I-94 Tollway: Supplemental Consultant Phase II Agreement and Supplemental Appropriation
- The selected firm of AMEC Environment & Infrastructure, Chicago, Illinois, is proceeding with the Phase II engineering services.
- Additional engineering is necessitated to address out-of-scope elements for Everett Road and the addition of expansion joint inspection and repair plans for Deerfield Road.
- This resolution authorizes the execution of a supplemental agreement with AMEC Environment & Infrastructure, Chicago, Illinois, at a cost of \$53,161.
- This resolution appropriates \$65,000 of County Bridge Tax funds for these services.

RESOLUTION

WHEREAS, Everett Road, County Highway 52, and Deerfield Road, County Highway 11, are designated routes on the county highway system; and

WHEREAS, the Everett Road bridge over the I-94 Tollway is in need of repair and resurfacing; and

WHEREAS, the Deerfield Road bridge over the I-94 Tollway requires expansion joint inspection and a recommendation for repairs; and

WHEREAS, Phase II, design engineering, is underway for the Everett Road bridge over the I-94 Tollway; and

WHEREAS, the Phase II, design engineering, needs to be completed for the Deerfield Road bridge over the I-94 Tollway; and

WHEREAS, this Lake County Board at its meeting of November 16, 2010, authorized the execution of a professional engineering agreement with AMEC Environment & Infrastructure, Chicago, Illinois, for said professional engineering services and appropriated \$175,000 of County Bridge Tax funds for these engineering services; and

WHEREAS, it has been determined that additional engineering services are required for several revisions to the original scope of work for Everett Road and the addition of Phase II engineering for Deerfield Road as depicted in Change Order No. 1 attached hereto; and

WHEREAS, a supplemental agreement with the consultant is needed, a draft copy of which is attached hereto.

NOW, THEREFORE BE IT RESOLVED, by this Lake County Board, that the Chair of the County Board, the County Clerk, and the County Engineer of Lake County are authorized and they are directed to execute a supplemental

agreement and any subsequent amendments thereto, for consulting engineering services between Lake County and AMEC Environment & Infrastructure, Chicago, Illinois, for additional Phase II professional engineering services for Everett Road at the I-94 Tollway bridge for deck repair and resurfacing, and Deerfield Road at the I-94 Tollway bridge for expansion joint inspection and repair at a supplemental cost of services described of \$53,161 and designated as Section 10-00123-06-RS. This resolution also appropriates \$65,000 of County Bridge Tax funds for these services.

BE IT FURTHER RESOLVED that the County Engineer shall transmit, in writing, the final supplemental agreement and any amendments, to be executed by the County Board Chair and the County Clerk.

BE IT FURTHER RESOLVED that this supplemental agreement be administered in accordance with Chapter 605, Act 5, Section 5-205.2 of the Illinois Compiled Statutes without further Board action providing the final contract cost chargeable under the funds appropriated does not exceed the appropriations.

DATED at Waukegan, Illinois, on August 9, 2011.
