Committee action request for Project Change: Lake County Affordable Housing Program award #A0846 by Lake County Residential Development Corporation.

- On August 12, 2008 the Lake County Board awarded \$60,000 to Lake County Residential Development Corporation for the rehabilitation of its 5-unit rental project in Lake Bluff for very low-income households.
- Awarded activities, including the installation of a fire sprinkler system throughout the complex, have been completed and anticipated water storage tanks were not needed.
- Lake County Residential Development Corporation requests HCS Committee approval for a change order to use the remaining funds to pay for maintenance on the exterior of the building and adjacent sidewalks.
