- On January 13, 2015, the County Board approved the emergency appropriation for the Behavioral Health Treatment Court Collaboratives.
- The grant's goals are to increase stakeholder participation in the 19th Judicial Circuit Court to address the behavioral health needs of adults involved with the criminal justice system, enhance the trauma-informed care of adults in Specialty Courts, improve the communication among BHTCC members in terms of resources, case management and referrals; and document outcomes.
- The Nineteenth Judicial Circuit Court selected Nicasa Behavioral Health Services to partner in the grant to provide employees to serve as project coordinator, dual diagnosis counselor, employment specialist, and recovery peer to provide the necessary services.
- Pursuant to Article 6, section 102, the Purchasing Agent convened an ad hoc review group that approved bid exemption on the basis of an existing long standing successful relationship for professional services, and the knowledge gained through this relationship adds value integral to the services provided.
