Joint resolution approving a Memorandum of Understanding (MOU) between Lake County and the Lake County Coalition for the Homeless (LCCH) to provide services under Lake County's Continuum of Care and for the purposes of serving as Collaborative Applicant.

- The U.S. Department of Housing and Urban Development (HUD) provides nearly \$3,000,000 of annual Continuum of Care funding to LCCH members, including Lake County as Collaborative Applicant and Homeless Management Information System (HMIS) ServicePoint lead.
- Lake County Community Development staff have informally filled the staffing capacity needs of the LCCH, a community-based membership organization comprised of agencies serving the needs of people who are homeless.
- HUD makes funding available via the LCCH to Lake County as Collaborative Applicant. This MOU defines the roles and responsibilities that accompany that funding. In the event that future HUD funding is insufficient for Lake County to provide these services, the MOU could be terminated or not renewed.
- If funded, this MOU would be renewed annually on October 1, concurrent with the renewal of HUD funding for this purpose.

## RESOLUTION

**WHEREAS**, said MOU states that in the future event that HUD funding is insufficient for Lake County PBD to provide these services, the MOU could be terminated or not renewed.

**NOW, THEREFORE, BE IT RESOLVED**, by this County Board of Lake County, Illinois, that a MOU may be signed with the Lake County Coalition of the Homeless.
