- Lake County desires to enter into a contract for digital orthoimagery.
- Lake County issued a joint request for proposal (RFP) with Kane and McHenry Counties.

- The Department of Information Technology (IT) budgeted \$167,543 for this services in fiscal year 2017.
- The reduced cost is due to the change in procurement methods from removing Cook County from the scope of work, caused in part by the unique complexity of Chicago's downtown business district.
- An evaluation committee comprised of Lake County's IT, Division of Transportation, and Stormwater Management Commission, Kane County, and McHenry County selected Ayres Associates, Inc., Madison, Wisconsin, as the most favorable proposal, based on the criteria set forth in the RFP.
