Illinois Prevent Prescription Drug/Opioid Overdose-related Deaths Grant - Gassman

The Illinois Department of Human Services has awarded the Lake County Health Department and Community Health Center (LCHD/CHC) a grant in the amount of \$71,460. The budget period is December 5, 2016-June 30th, 2017. The project will expand and strengthen LCHD/CHC's existing Naloxone distribution program. Grant funds will be used to support a full-time project coordinator to purchase Naloxone for distribution in the county and to support training, awareness and engagement efforts. The project period is five years with LCHD/CHC to receive \$122,500 in each subsequent year (award was pro-rated for year one). As part of this grant, LCHD/CHC will offset \$5,876 in existing salaries and benefits for staff contributing to data collection, reporting and evaluation in year one. LCHD/CHC will offset \$17,500 in existing salaries and benefits in each subsequent grant year

To approve the grant funding of \$71,460 from the Illinois Department of Human Services to support Naloxone distribution, awareness and engagement efforts in the county.
