Joint resolution accepting the Illinois Department of Public Health grant and authorizing an emergency appropriation in the amount of \$14,792 for the Cities Readiness Initiative Grant.

- The \$14,792 Illinois Department of Public Health grant will help to fund the Cities Readiness Initiative grant by allowing the purchase of open and closed Point of Dispensing (POD) supplies (e.g., supplies to assist with appropriate antibiotic or antiviral dispensing) and Medical Reserve Corps support supplies (e.g., volunteer identification).
- The \$14,792 in additional grant funding has not been previously appropriated because the grant resources were secured after the County’s adoption of the FY17 budget.
- The grant award will be for the period July 1, 2016 through June 30, 2017.
