Resolution authorizing a contract with AST Corporation, Naperville, Illinois, for staff augmentation services for Oracle Database Architect (DBA) consulting for Lake County in an estimated amount of \$70,060.

- Lake County desires to enter into a contract for staff augmentation of Oracle Database Administration (DBA) services to maintain and support critical operations within the Oracle system.
- A current Information Technology (IT) departmental contract is in place in the amount of \$18,600 for DBA services as an immediate response to a staff resignation.
- There is a need to procure services that will exceed the professional services procurement threshold while a determination is made to either permanently fill this position or outsource through a staff augmentation contract.
- Purchasing identified a cooperative purchasing contract with AST Corporation, Naperville, Illinois, through the General Services Administration (GSA) to procure needed consulting services that was competitively solicited and awarded.
- Pursuant to Article 10-101 of the Lake County Purchasing Ordinance, Cooperative Purchasing, Lake County may participate in a cooperative purchasing agreement for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
- This contract is in an estimated amount of \$70,060 with an hourly rate of \$155.
- Any additional hours or services will be charged at this unit cost and will be managed by Lake County's IT department.

RESOLUTION
