Continued discussion of Unified Development Ordinance (UDO) text amendments: local food and rural business packet.

- The Committee is engaged in a series of discussions on text amendment topics.
- This discussion will be a continuation of the January 10, 2018 discussion of local food and introduction of rural business.
- Local food amendments implement the Lake County Board Strategic Plan Goal: "Promote a Sustainable Environment, by benefiting the public health, the local green economy and the environment."
- Rural business amendments are intended to reasonably accommodate businesses well-suited to rural environments where few neighbor impacts are foreseeable.
- Staff will refine the comprehensive draft after concluding the discussion series and present a final version for Committee to formally initiate the text amendment process.
