Ordinance amending Section 37.030 Rules and Regulations Governing Public Buildings and Grounds and Section 37.060 Occasional Use of Public Areas in Public Buildings of Chapter 37, entitled County-wide Policies and Services, of the Lake County Code of Ordinances.

- Chapter 37, entitled 'County-wide Policies and Services' of the Lake County Code of Ordinances, contains various provisions regarding County-wide policies and services including Rules and Regulations Governing Public Buildings and Grounds (Section 37.030) and Occasional Use of Public Areas in Public Buildings (Section 37.060).
- At the request of the County Administrator, a staff team reviewed the specific provisions to ensure compliance with caselaw. During the review, a number of items were identified for adjustment based on recent caselaw and current practice.
- An overview of the options for ordinance amendments were presented during the April 4, 2018 Financial and Administrative Committee meeting, during which time direction was provided to proceed with amendments that continue the County's current practice of allowing public access for expressive activities in designated areas on County property. The proposed ordinance amendments reflect that as well as additional clean up items.
