Joint resolution authorizing a contract with Viewu, Seattle, Washington, for the purchase of body worn cameras for the Lake County Sheriff's Office (LCSO) for use in the Lake County Sheriff's Adult Corrections Facility (Jail) an estimated annual amount of \$135,250.

- The LCSO corrections staff began using Viewu body worn cameras in 2012 to enhance transparency, deter inmate behavior and safeguard against false claims of misconduct.
- The current server that stores the digital media evidence (DME) is no longer supported by the existing server vendor and there is a need to enter into a new contract to identify a storage solution for DME and procure replacement body worn cameras.
- The fiscal year 2018 annual budget for the LCSO includes funding for this replacement program.
- The LCSO reviewed, tested and analyzed two different brands of body worn cameras. The analysis determined that Viewu, met all the LCSO jail requirements.
- Pursuant to Article 10-101 of the Lake County Purchasing Ordinance, Cooperative Purchasing, Lake County may participate in a cooperative purchasing agreement for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
- The LCSO identified a joint purchasing contract with Viewu through Metra Rail to procure body worn cameras that was competitively solicited and awarded. The contract provides for a hosted solution for storage of DME.
- The contract provides for new Viewu cameras and hosting maintenance for the cloud enabled software in the estimated annual amount of \$135,250.
