Joint resolution authorizing an amendment for a six-month extension of the State's Attorney's Prosecutor Based Victim Services programs, through a Victim of Crime Act (VOCA) grant awarded by the Illinois Criminal Justice Information Authority (ICJIA).

- This VOCA victim assistance grant extension is for two Prosecutor Based Victim Services programs administered through the ICJIA for the performance period of January 1, 2018 through June 30, 2019.
- Funding for one program began in 1991 and the second program began in 2010. These grants are renewed on an annual basis. In 2018, both grant programs were combined into one grant contract.
- The focus of this grant is to provide advocacy services to the currently under-served sexual assault, misdemeanor domestic violence, elder abuse and aggravated battery victim populations. The ICJIA is providing this six-month extension to adjust the future grant performance period.
- The grant program funds are allocated to cover 85 percent of the grant-assigned Sexual Assault Victim Witness Coordinator's (VWC) salary and benefits and 100 percent of the grant-assigned Domestic Violence VWC salary and benefits. Additional program costs will be covered by grant match.
- Grant program revenue and expenses are already included in the State's Attorney's budget.
