Resolution authorizing a contract in an amount not to exceed \$146,500 with Appin Associates, Gurnee, Illinois, (Appin Associates) to provide engineering services for building automation systems for fiscal year (FY) 2019 projects.

- Lake County has contracted with Appin Associates since 2007 to provide engineering services for building automation services through a series of awards based on statement of interests issued in accordance with the Local Government Professional Services Selection Act (50 ILCS-510/).
- There is an ongoing need for engineering services to develop the specifications necessary to ensure that all new equipment has the capacity to be integrated into the County's Building Automation and Control Network (BACNet).
- In accordance with Local Government Professional Services Selection Act (50 ILCS 510/), the selected and recommended firm is Appin Associates with a not to exceed amount of \$146,500, subject to appropriation of the FY 2019 Capital Improvement Program.

RESOLUTION

WHEREAS, Lake County has contracted with Appin Associates since 2007 to provide engineering services for building automation services through a series of awards based on statement of interests issued in accordance with the Local Government Professional Services Selection Act (50 ILCS-510/); and

WHEREAS, there is an ongoing need for engineering services to develop the specifications necessary to ensure that all new equipment has the capacity to be integrated into the County's Building Automation and Control Network (BACNet); and

WHEREAS, in accordance with the Local Government Professional Services Selection Act, the selected and recommended firm is Appin Associates, Gurnee, Illinois, subject to appropriation of the

FY 2019 Capital Improvement Program.

NOW, THEREFORE, BE IT RESOLVED, by this County Board of Lake County, Illinois, that the Purchasing Agent is hereby directed to enter into a contract with Appin Associates, Gurnee, Illinois, in the amount not to exceed \$146,500 to provide engineering services for building automation systems for Fiscal Year 2019 projects.

DATED at Waukegan, Illinois, November 13, 2018.
