Resolution authorizing a contract with EC America, Inc., McLean, Virginia, (EC America) in the amount of \$170,000 for cyber security remediation and penetration testing.

- The Enterprise Technology Division has identified the need for consulting support for cyber security remediation and penetration testing.
- The County faces cyber-attacks that are evolving in sophistication and potential impact, threatening data breaches as well as disruption of critical operations.
- To secure the County's systems, Enterprise Technology is seeking assistance to complete penetration testing, conduct a vulnerability assessment, identify critical data, create a plan to address risks, and develop a policy framework.
- Pursuant to Article 10-101 of the Lake County Purchasing Ordinance, Cooperative Purchasing, Lake County may participate in a cooperative purchasing agreement for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
- The Purchasing Division identified a cooperative purchasing contract through the Government Services Administration (GS-35f-0511T), with EC America, which has a participating dealer agreement with MTM Technologies for sales of its services, that was competitively solicited and awarded.
- This one year contract is in the amount of \$170,000.
