Joint resolution authorizing the renewal of the State's Attorney's Law Enforcement Response to Drugs - Drug Prosecution grant program, awarded by the Illinois Criminal Justice Information Authority (ICJIA), including \$225,000 in federal funds.

- This is a renewal of the Law Enforcement Response to Drugs - Drug Prosecution Program, a federal grant administered through the ICJIA.
- Funding for this grant, formally known as the Multi-Jurisdictional Drug Prosecution grant, began in 1988, and has been renewed each year.
- The grant program will provide funding for approximately 51 percent of the salaries of one gang/narcotics prosecution division chief, one assistant state's attorney and one trained police investigator dedicated to the prosecution of drug related offenses covering the time period of April 1, 2019 through September 30, 2020.
- Program goals include increasing public safety and reducing the large social and economic cost of narcotics use through specialized prosecution of drug traffickers and by increasing awareness and skill levels of professionals involved in the identification, investigation and prosecution of drug trafficking through training.
- Sources of program funding include \$225,000 in federal funds. No match funds are required.
