At the time of issuance, the proposed structure met the setback requirements of the PUD and in 2018 it received a temporary occupancy permit.
- The property owner is seeking a minor modification to the approved PUD to allow for construction of a deck on the back of the house that would encroach 9.5 feet into the required PUD setback of 30 feet.
- A letter from the Robert Van Duyse, general manager of the golf course, has been submitted approving a deck to be constructed 20 feet from the common lot line with the golf course.
- Staff has completed the review of the amendment to the Fairway Estates at Antioch Golf Club Unit Two Planned Unit Development and is recommending approval subject to the deck being constructed in accordance to the site plan submitted to staff.
