- DCFS grant funding to provide partial salary for a victim advocate at the Lake County Children’s Advocacy Center began prior to 1998 and has been renewed each year since.

- The victim advocate provides comprehensive, supportive services to child victims and their non-offending family members, throughout the court process.
- Program goals include providing advocacy services for child victims of abuse and their non-offending family members, providing a digitally recorded interview in a child friendly location, providing mental health referrals, providing emotional support, conducting protocol reviews and Multidisciplinary Team (MDT) case meetings, and preventing re-victimization of children through education.
- Sources of funding include state funds in the amount of \$80,380 for partial salary and benefits of the victim advocate assigned to the grant program.
- The Children’s Advocacy Center provides any additional salary costs by reimbursing the State’s Attorney’s Office.
