Joint resolution authorizing an amendment for an extension of the Lake County Children's Advocacy Center's Victim of Crime Act (VOCA) victim advocate grant program, awarded by the Children's Advocacy Centers of Illinois (CACI).

- This VOCA victim assistance grant extension is for an equipment purchase that will help the Lake County Children's Advocacy Center preserve interview evidence.
- In 1999, the Children's Advocacy Center implemented two victim advocate grants, which have been renewed each year since, to supplement funding for two victim advocates, one being bilingual.
- In 2016, both grant programs were combined into one contract, and in 2017, funding for an additional victim advocate position was added.
- The new grant extension is for the performance period of July 9, 2018 through August 15, 2019 and includes an increase in grant funding in the amount of \$15,287.
- The Children's Advocacy Center provides the required match and any additional program costs by reimbursing the State's Attorney's Office. No County funding is required for this program.
