Joint resolution authorizing an agreement with RHMG Engineers, Inc., Mundelein, Illinois, for engineering services for water facilities analysis, design and construction oversight.

- Lake County Public Works is seeking engineering services for water facilities analysis, design and construction oversight. This master agreement, sourced through a full statement of Interest (SOI) competitive process, will allow individual task orders to be issued up to a maximum cumulative value of \$500,000 for a given year. The term of the contract will be two years with three one-year renewal options to allow for future projects with services based on approved contract rates.
- An initial project has been identified: Oak Terrace Water System Evaluation of Repair Alternatives and will include preliminary engineering design services and engineering design services based on contracted hourly rates in an estimated amount of \$39,319.
- The Lake County Purchasing Department received and evaluated Statements of Interests from 16 professional firms of which four were short-listed.
- In accordance with the Local Government Professional Services Selection Act, the recommended firm is RHMG Engineers, Inc.
- This service was included and budgeted as part of the Fiscal Year 2019 Capital Improvement Program.
