Joint resolution accepting the Illinois Department of Public Health grant and authorizing an emergency appropriation in the amount of \$60,000 for the Immunization Elimination of Disparities program.

- The \$60,000 Illinois Department of Public Health grant will be used to support in-reach and outreach efforts in low-income areas, and to offset existing staff salary and benefit costs.
- The \$60,000 in additional grant funding has not been previously appropriated because the grant resources were secured after the County's adoption of the Fiscal Year 2019 budget.
- The grant award will be for the period May 1, 2019 through April 30, 2020.

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED, by this County Board of Lake County, Illinois, that

an emergency appropriation in the amount of \$60,000 is hereby authorized in the Health Department budget as identified on the listing of expense and revenue budget modifications attached hereto and made part hereof; and
