The 457 Retirement Plan Committee members scored the finalists following their presentations.
- At the August 29, 2019 Financial and Administrative (F&A) Committee meeting, the resolution was introduced, and ICMA-RC was recommended as the firm that would best meet the needs of the County's employees.
- Human Resources has begun active communication with all employees.
- The resolution, unanimously recommended for approval by the F&A Committee on September 26, 2019, was referred back to the F&A Committee by the County Board at its October 9, 2019 Board meeting to respond to additional questions.
