- Revisions are proposed in various sections of the ordinance to correct a typographical error and clarify the language.
- The water system connection section is being amended to align with what was presented at committee and as was outlined in the final Connection Fee Study. Round Lake Park is also being added to this section as it was inadvertently removed in a previous amendment.
- The Sewer System Connection section is amended to more accurately convey when separate permits and/or fees may be applicable in order to obtain a sewer connection.
